ONBOARDING GUIDE

ASSANJ
PREMIUM DIGITAL STUDIO

Let's get *everything ready* for your project.

Complete the steps below at your own pace. The faster these are completed, the sooner your 3–5 Working Days delivery timeline begins.

1 **Business Information**
Your business name, description, services, location, and contact details.

2 **Brand Assets**
Logo (high resolution), brand colors, fonts, and any existing brand guidelines.

3 **Website Content**
About section, service descriptions, testimonials, and FAQs you'd like featured.

4 **Media**
Project photos, team photos, and any videos you'd like included.

5 **Digital Access**
Domain details, existing website (if any), Google Business Profile, and social accounts.

6 **Final Review**
A final walkthrough call before we move into production.

NOTE

A complete "What We Need From You" checklist is attached separately — use it alongside this guide to make sure nothing is missed.
